Tikkun Olam Committee

Tikkun Olam, “Repairing the World”, is the Jewish mandate to do what we can to make the world a better place. It has become synonymous with social action and the pursuit of social justice.

At Temple Etz Rimon we believe that social action and social justice is reflective of all Jewish values and includes projects that give back to the world and our community inside and outside of the temple. We believe it includes humanitarian efforts that combat starvation, inadequate housing, and the fair and equal treatment of all individuals regardless of their religion, ethnicity, gender or sexual orientation. We have supported many meaningful projects, including those designed to combat human rights violations and poverty, encourage conservation, fight terrorism, and protect animals.

If you would like to make a difference in our community and be a part of “Repairing the World”, join our Tikkun Olam Committee by returning the completed form to the temple.
